To cast your vote visit website www.betterpublicofficials.com or call 800-274-7757 and leave a voice message. You can monitor the progress of this survey by visiting the "Reader Survey Poll" on www.betterpublicofficials.com. beginning Nov 1st, 2010

Last month's survey involved changing the time of local government public meetings. A local unit of government holds its public meetings on the 2nd and 4th Tuesdays of each month, starting 6PM. A newly elected official made a motion to change the start time to 1PM with the belief media and more citizens will attend. The choices last month were A) Second the motion to change the meeting time to 1PM? B) Not second the motion and leave the meeting times as is? or C) Propose an alternate time and day to hold your meetings. In real life the Board decided to leave the meeting time as is.
