

The Donnie Smith Invitational Bike Show 2010

From wild to mild, new to old, creative to stock and from young exhibitors showing their rides proudly to the old timer showing his first ride. 2010 brought in a round the world rider and a great crew of bigwig builders. What does this year bring for the Donnie Smith Invitational Bike Show and Parts Extravaganza? March 26 & 27th at the River Centre in St. Paul. Show up and see for your self. If your not impressed, something is wrong with your sense of what a great show should be. I have attended every year but one since 2002 and I am never let down with the caliber of bikes, the choices of vendors to choose from and the great venue that contains it all. So jump in the car, charter a party bus or grab a flight. No matter how you get there you won't regret.
