

I made a traffic stop on an elderly lady the other day for speeding on U.S. 166 Eastbound at Mile Marker 73 just East of Sedan, KS.

I asked for her driver's license, registration, and proof of insurance.

The lady took out the required information and handed it to me. In with the cards I was somewhat surprised (due to her advanced age) to see she had a conceal carry permit. I looked at her and ask if she had a weapon in her possession at this time.

She responded that she indeed had a .45 automatic in her glove box.

Something---body language, or the way she said it---made me want to ask if she had any other firearms. She did admit to also having a 9mm Glock in her center console. Now I had to ask one more time if that was all. She responded once again that she did have just one more, a .38 special in her purse. I then asked her what was she so afraid of.

She looked me right in the eye and said, "Not a Damn thing!" GOD BLESS THE ELDERLY WE NEED MORE LIKE HER!

Getting Old --- by Bingo

How can you tell when you're getting old?

Here is just one of the many ways:

There'll come a time when you'll realize
You'll have less tomorrows than you've had yesterdays.

I hope you've had more pleasure than pain
And that your joys outnumbered your sorrows.
I hope you did good things in your yesterdays -
And will continue to - in your tomorrows.

Then God might look down one day -
(He works in mysterious ways.)

And decides you've earned a few more tomorrows
For the good you did - in your yesterdays.
