The teacher gave her fifth grade class an assignment: Get their parents to tell them a story with a moral at the end of it.

The next day the kids came back and one by one began to tell their stories. "Johnny, do you have a story to share?"

"Yes, ma'am, my daddy told a story about my Aunt Carol. Aunt Carol was a pilot in Desert Storm and her plane got hit. She had to bail out over enemy territory and all she had was a small flask of whiskey, a pistol and a survival knife.

She drank the whiskey on the way down so it wouldn't fall into enemy hands and then her parachute landed right in the middle of twenty enemy troops. She shot fifteen of them with the gun until she ran out of bullets, killed four more with the knife, 'til the blade broke and then she killed the last one with her bare hands."

"Good heavens," said the horrified teacher, "What kind of moral did your daddy teach you from that horrible story?"

"Stay the hell away from Aunt Carol when she's been drinking."

An elderly couple made a deal that whoever died first would somehow come back to inform the other of the afterlife - their biggest fear being that there really was no heaven. After a long life, the husband was the first to go and, true to his word, a few weeks later as his wife sat and watched TV, she heard a ghostly voice saying, "Maude. Maude ..."

"Is that you, Fred?" she asked as she looked in vain around the room. The voice responded, "Yes Maude, I've come back just like we agreed."

"What's it like, Fred?" Maude asked.

Fred said, "Well, I get up in the morning and I have sex. Then I have breakfast, and after that more sex. I bathe in the sun for a while and then I have sex twice. I have lunch, and then have sex pretty much all afternoon. After dinner, I have sex until late at night ... and the next day it starts all over again." "Oh, Fred," Maude said, "then surely you must be in heaven!"

"Not exactly," Fred said, "I'm a rabbit somewhere in Idaho."

Hoshimota

An American businessman is on a business trip in Japan and hires a hooker. The whole night, this Japanese hooker keeps screaming: "Hoshimota! Hoshimota!" He can't quite remember what the word means, but he's sure he's pleased the hooker to best of his ability.

The next morning, he goes to play a game of golf with his Japanese business partner when he makes a hole-in-one. Everyone is congratulating him in Japanese and he can't think anything to say but "HOSHIMOTA!"

Concerned, his partner turns to him "What do you mean it's in the wrong hole?"

An older lady, somewhat lonely, decided that she needed a pet to keep her company. So off to the pet shop she went. Forlornly, she searched.

Nothing seemed to catch her interest, except this one ugly frog. As she walked by the barrel that the frog was in, he looked up, winked at her, and then whispered, "I'm lonely, too. Buy me and you won't be sorry."

The old lady figured what the heck, as she hadn't found anything else.

So she bought the frog and went to her car.

As she drove down the road, the frog whispered to her, "Kiss me, you won't be sorry."

The old lady figured what the heck and kissed the frog. Immediately the frog turned into an absolutely handsome, sexy, young prince. Then, the prince kissed her back. And guess what the old lady turned into?

The first motel she could find. She's old, not dead.

# HUMOR

A man was having problems with premature ejaculation, so he decided to go to the doctor. He asked the doctor what he could do to cure his problem.

In response, the doctor said, "When you feel like you are getting ready to ejaculate, try startling yourself."

That same day, the man went to the store and bought himself a starter pistol. All excited to try this suggestion, he ran home to his wife.

At home, he found his wife was in bed, naked and waiting.

As the two began, they found themselves in the "69" position. The man, moments later, felt the sudden urge to ejaculate and fired the starter pistol.

The next day, the man went back to the doctor. The doctor asked, "How did it go?"

The man answered, "Not that well... when I fired the pistol, my wife peed in my face, bit 3 inches off my penis, and my neighbor came out of the closet with his hands in the air!"

Old Woman

A husband and wife are getting ready for bed. The wife is standing in front of a full length mirror taking a hard look at herself. "You know love," she says, "I look in the mirror and I see an old woman. My face is all wrinkled, my boobs are barely above my waist, my butt is hanging out a mile. I've got fat legs and my arms are all flabby." She turns to her husband and says, "Tell me something positive to make me feel better about myself."

He thinks about it for a bit and then says, "Well... there's nothing wrong with your eyesight."

Two guys are moving about in a supermarket when their carts collide.

The first one says to the other, "Sorry about that, I'm looking for my wife and I guess I wasn't watching where I was going."

The second guy says, "What a coincidence, I'm looking for my wife too, and I'm getting a little desperate."

The first guy says "Well, maybe I can help you. What does your wife look like?"

The second guy answers, "She's tall, with red hair, wet blue eyes, long legs, big firm breasts, and a tight butt. What does your wife look like?"

To which the first guy replies, "Never mind, let's look for yours."
