A man walked into a bar. There, he saw a beautiful, smartly dressed woman perched on a bar stool.

Approaching her he said, "Hello there gorgeous. How are you?"

Having already had a few power drinks, she turned around, faced him, looked him straight in the eye and said, "Listen! I'll screw anybody, anytime, anywhere, your place, my place, front door, back door, it doesn't matter. I've been doing it since I got out of college. I just flat ass love it."

Eyes wide with interest, he said, "No kidding? I'm a lawyer too! What firm are you with?"

What do soybeans and a vibrator have in common? They're both a meat substitute.

At a southern university, students in the psychology program were attending their first class on emotional extremes. "Just to establish some parameters," said the professor to the student from Arkansas, "what is the opposite of joy?"

"Sadness," said the student.

"And the opposite of depression?" he asked of the young lady from Oklahoma.

"Elation," she said.

"And you sir," he said to the young man from Texas, "what about the opposite of woe?"

The Texan replied, "Sir, I believe that would be 'giddy up'."

Jim went on a vacation to the Middle East with most of his family including his mother-in-law. During their vacation and while they were visiting Jerusalem, Jim's mother-in-law died. With the death certificate in hand, Jim went to the American Consulate Office to make arrangements to send the body back to the States for proper burial.

The Consul, after hearing of the death of the mother-in-law told Jim that the sending of a body back to the States for burial is very, very expensive. It could cost as much as \$5,000.00. The Consul continues, in most cases the person responsible for the remains normally decides to bury the body here. This would only cost \$150.00.

Jim thinks for some time and answers, "I don't care how much it will cost to send the body back; that's what I want to do." The Consul, after hearing this, says "You must have loved your mother-in-law very much considering the difference in price."

"No, it's not that," says Jim. "You see, I know the story of a person buried here in Jerusalem many years ago. On the third day he arose from the dead! I just can't take that chance..."

A circus owner runs an ad for a tiger tamer and two young people show up. One is a good looking lad in his mid-twenties and the other is a gorgeous blonde about the same age. The circus owner tells them, "I'm not going to sugar coat it. This is one ferocious tiger. He ate my last tamer so you guys better be good or you're history. Here's your equipment; chair, whip and a gun. Who wants to try out first?"

The girl says, "I'll go first." She walks past the chair, the whip and the gun and steps right into the tiger's cage. The tiger starts to snarl and pant and begins to charge her. About half way there, she throws open her coat revealing her beautiful naked body.

The tiger stops dead in his tracks, sheepishly crawls up to her and starts licking her ankles. He continues to lick her calves, kisses them and rests his head at her feet like a kitten.

The circus owner's mouth is on the floor. He says, "I've never seen a display like that in my life." He then turns to the young man and asks, "Can you top that?"

The young man replies. "No problem, just get that damn tiger out of the way."

HUMOR

The Lone Ranger and Tonto....went camping in the desert.

After they got their tent all set up, they fell sound asleep. Some hours later, Tonto wakes The Lone Ranger and says, "Kemo Sabi, look towards sky, what you see?"

The Lone Ranger replies, "I see millions of stars."

"What that tell you?" asked Tonto.

The Lone Ranger ponders for a minute, then says, "Astronomically speaking, it tells me there are millions of galaxies and potentially billions of planets. Astrologically, it tells me Saturn is in Leo.

Time wise, it appears to be approximately a quarter past three in the morning. Theologically, it's evident the Lord is all-powerful and we are small and insignificant. Meteorologically, it seems we will have a beautiful day tomorrow. What's it tell you, Tonto?"

Tonto is silent for a moment, then says, "Kemo Sabi, you dumb ass. Someone has stolen tent."

Two elderly residents, one male and one female, were sitting alone in the lobby of their nursing home one evening.

The old man looked over and said to the old lady, "I know just what you're wanting, and for \$5 I'll have sex with you right over there in that rocking chair."

The old lady looked surprised but didn't say a word.

The old man continued, "For \$10 I'll do it with you on that nice soft sofa over there, but for \$20 I'll take you back to my room, light some candles, and give you the most romantic evening you've ever had in your life."

The old lady still says nothing but after a couple minutes, starts digging down in her purse. She pulls out a wrinkled \$20 bill and holds it up.

"So you want the nice romantic evening in my room," says the old man.

"Hell, no," replies the old lady. "I want four times in the rocking chair!"

A man walks into the bedroom carrying a sheep under his arm

"I just wanted to show you the pig I've been screwing" the man says.

His wife sits up in the bed and replies

"You idiot! That's not even a pig...it's a sheep"

The man looks over at his wife and says "Shut up, I wasn't talking to you."
