A mother is driving a little girl to her friend's house for a play date.

"Mommy," the little girl asks, "how old are you?"

"Honey, you are not supposed to ask a lady her age," the mother replied.

"It's not polite."

"OK", the little girl says, "How much do you weigh?"

"Now really," the mother says, "those are personal questions and are really none of your business."

Undaunted, the little girl asks, "Why did you and Daddy get a divorce?"

"That is enough questions, young lady, honestly!"

The exasperated mother walks away as the two friends begin to play.

"My Mom won't tell me anything about her," the little girl says to her friend.

"Well," says the friend, "all you need to do is look at her drivers license. It is like a report card, it has everything on it."

Later that night the little girl says to her mother, "I know how old you are, you are 32."

The mother is surprised and asks, "How did you find that out?"

"I also know that you weigh 140 pounds."

The mother is past surprised and shocked now.

"How in heaven's name did you find that out?"

"And," the little girl says triumphantly, "I know why you and daddy got a divorce."

"Because you got an F in sex."

A very self-important college freshman attending a recent football game, took it upon himself to explain to a senior citizen sitting next to him why it was impossible for the older generation to understand his generation.

"You grew up in a different world, actually an almost primitive one," the student said, loud enough for many of those nearby to hear. "The young people of today grew up with television, jet planes, space travel, man walking on the moon, our spaceships have visited Mars. We have nuclear energy, electric and hydrogen cars, computers with DSL, light-speed processingand," pausing to take another drink of beer.

The Senior took advantage of the break in the student's litany and said, "You're right, son. We didn't have those things when we were young.....so we invented them. Now, you arrogant little shit, what are you doing for the next generation?" The applause was resounding...

An old married couple no sooner hit the pillows when the old man passes gas and says, "Seven Points."

His wife rolls over and says, "What in the world was that?"

The old man replied, "It's fart football."

A few minutes later his wife lets one go and says "Touchdown, tie score."

After about five minutes the old man lets another one go and says, "Aha. I'm ahead 14 to 7."

Not to be outdone the wife rips out another one and says, "Touchdown, tie score."

Five seconds go by and she lets out a little squeaker and says, "Field goal, I lead 17 to 14." Now the pressure is on the old man.

He refuses to get beaten by a woman, so he strains real hard. Since defeat is totally unacceptable, he gives it everything he's got, And accidentally s*its in the bed.

The wife says, "What was that?"

The old man says, "Half time, switch sides ."

A guy goes to the supermarket and notices an attractive woman waving at him. She says hello.

He's rather taken a back because he can't place where he knows her from.

So he says, "Do you know me?" To which she replies, "I think you're the father of one of my kids."

Now his mind travels back to the only time he has ever been unfaithful to his wife and says, "My God, are you the stripper from my bachelor party that I made love to on the pool table with all my buddies watching while your partner whipped my butt with wet celery???"

She looks into his eyes and says calmly,

"No, I'm your son's teacher."

The cannibal called the waiter over and asked, 'Why such a price difference for the Politician?'

The cook replied, 'Have you ever tried to clean one?'

I was depressed last night so I called Lifeline.

Got a call center in Pakistan.

I told them I was suicidal.

They got all excited and asked if I could drive a truck.

A little boy walks into his parents' room to see his mom on top of his dad bouncing up and down. the mom sees her son and quickly dismounts, worried about what her son has seen. She dresses quickly and goes to find him. The son sees his mom and asks, "What were you and Dad doing?"

The mother replies, " Well, you know your dad has a big tummy and sometimes I have to get on top of it and help flatten it."

"Your wasting your time," said the boy.

"Why is that?" the mom asked puzzled.

"Well when you go shopping the lady next door comes over and gets on her knees and blows it right back up.

While on a road trip, an elderly couple stopped at a roadside restaurant for lunch. After finishing their meal, they left the restaurant and resumed their trip. When leaving, the elderly woman unknowingly left her glasses on the table and she didn't miss them until they had been driving about twenty minutes. By then, to add to the aggravation, they had to travel quite a distance before they could find a place to turn around in order to return to the restaurant to retrieve her glasses.

All the way back, the elderly husband became the classic grouchy old man.

He fussed and complained and scolded his wife relentlessly during the entire return drive. The more he chided her, the more agitated he became.

He just wouldn't let up one minute.

To her relief, they finally arrived at the restaurant. As the woman got out of the car and hurried inside to retrieve her glasses, the old geezer yelled to her, 'While you're in there, you might as well get my hat and the credit card.'
