Did you get what you wanted for Christmas? I know I will have a white Christmas so I'm good to go. I'm thinking or should I say hoping that the earlier the snow comes, the faster it will go away. I am just itching to ride. SO, hurry up Mr. Melter and bring on the thaw.

A couple of items that I want to bring to your attention. We have a ton of swap meets coming up in the next 4 months. Be them in Wisconsin, Illinois, Michigan, Minnesota and so on. If you don't mind driving, you should be able to find what you need at one of these shows.

Next a couple of shows. The Chicago Motorcycle Show and Parts Expo (formerly Supercycle Show) is back in Chicago at the McCormick building. New promoters (Paragon Leather) usually brings new thinking, so it should be a great time. I would like to take a minute to thank Dickie B. who for 24 years put on one heck of a good show. So my best to you my friend and I am sure I will see you in the wind this summer. The next big shows are the Donnie Smith Shows in MN. First is the Rochester show (Feb 21st) and then the Donnie Smith show (March 28 & 29th) in St. Paul. I will be at both these shows barring our geographic locations for surprise storms.

Lastly you will notice the paper is a little smaller than usual. Yes there are reasons for this. I have decided to run smaller issues due to:

- A- Tis the season of not much going on
- B- Due to business's tightening their belts on advertising
- C- I needed to make my life a tad bit easier.

I still plan on running an unique paper every month, with not even me knowing what's going to be in the next issue. I plan on popping into a lot of events in the next year, because that's what I like about this gig, "The People & The Lifestyle." Noone can take that away from me. I am looking forward to meeting even more brothers and sisters this year along with the chance to meet even more of the biker friendly establishments in the upper Midwest.

With this I will bring them to light for the rest of you to check out, and vice versa I hope. With that being said, that's the way I see it. Take Care and be safe during the cold month's.

Levi, 6 months old, future manager of internet sales at Wisconsin Cycle Salvage Inc.

If you have a picture of your Next Generation Rider, feel free to send it in to me. Who knows it just might kick start a Hollywood career for them. Send those pic's to preacher@freeriderspress.us or by snail mail to 4500 Hwy 66, Stevens Point, WI 54481

Cover picture is of Bruce Terland Sr from Avalon, WI and his son. Bruce bought this bike in 1977 and passed it down to his son when it was time to stop riding. Bruce is a very interesting person to chat with. Stories of his past 82 years of riding and wartime will keep you intrigued for a long while.

Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
