A man escapes from a prison where he's been locked up for 15 years. He breaks into a house to look for money and guns.

Inside, he finds a young couple in bed. He orders the guy out of bed and ties him to a chair.

While tying the homeowner's wife to the bed, the convict gets on top of her, kisses her neck, then gets up and goes into the bathroom. While he's in there, the husband whispers over to his wife:

'Listen, this guy is an escaped convict. Look at his clothes! He's probably spent a lot of time in jail and hasn't seen a woman in years. I saw how he kissed your neck. If he wants sex, don't resist, don't complain... Do whatever he tells you.

Satisfy him no matter how much he nauseates you. This guy is obviously very dangerous. If he gets angry, he'll kill us both. Be strong, honey. I love you!'

His wife responds:

'He wasn't kissing my neck. He was whispering in my ear. He told me that he's gay, thinks you're cute, and asked if we had any Vaseline. I told him it was in the bathroom. Be strong honey. I love you, too.'

Two men dressed in pilots' uniforms walk up the aisle of the aircraft. Both are wearing dark glasses, one is using a guide dog, and the other is tapping his way along the aisle with a cane.

Nervous laughter spreads through the cabin, but the men enter the cockpit the door closes, and the engines start up. The passengers begin glancing nervously around, searching for some kind of a sign that this is just a little practical joke. None is forthcoming.

The plane moves faster and faster down the runway, and the people sitting in the window seats realize they're headed straight for the water at the edge of the airport property. Just as it begins to look as though the plane will plow straight into the water, panicked screams fill the cabin.

At that moment, the plane lifts smoothly into the air. The passengers relax and laugh a little sheepishly, and soon all retreat into their magazines and books, secure in the knowledge that the plane is in good hands.

Meanwhile, in the cockpit, one of the blind pilots turns to the other and says, 'You know, Bob, one of these days, they're gonna scream too late and we're all gonna die' !!

In the beginning, God created the earth and rested. Then God created Man and rested. Then God created Woman. Since then, neither God nor Man has rested.

HUMOR

The doctor tells him the muscles at the base of his penis are broken down and there's nothing he can do unless he's willing to try an experimental surgery.

Bob asks what the surgery is and the doctor tells him they take some muscles from the base of a baby elephant's trunk, insert them in the base of his penis, and hope for the best .

Bob says that sounds pretty scary but the thought of never having sex again is even scarier, so he says ok.

The doctor goes ahead and performs the surgery and about 6 weeks later he gives Bob the go ahead to 'try out his new equipment'.

Bob takes his wife out to dinner. While at dinner Bob starts feeling incredible pressure in his pants. It gets unbearable and he figures no one can see him so he undoes his pants.

No sooner does he do this than his penis pops out of his pants, rolls across the table, grabs an apple from the fruit basket, and disappears back into his pants.

His wife sits in shock for a few moments, and then gets a sly look on her face. She says, 'That was pretty cool! Can you do that again?'

With his eyes watering and a painful look on his face, Bob says, 'Probably, but I don't know if I can fit another apple up my ass.'

Two bowling teams, one of all Blondes and one of all Brunettes, charter a double-decker bus for a weekend trip to Louisiana. The Brunette team rode on the bottom of the bus, and the Blonde team rode on the top level. The Brunette team down below really whooped it up, having a great time, when one of them realized she hadn't heard anything from the Blondes upstairs. She decided to go up and investigate. When the Brunette reached the top, she found all the Blondes in fear, staring straight ahead at the road, clutching the seats in front of them with white knuckles. The brunette asked, 'What in the world is going on up here? We're having a great time downstairs!' One of the Blondes looked up at her, swallowed hard and whispered...yeah, but you've got a driver.

Something to Ponder

** How important does a person have to be before they are considered assassinated instead of just murdered?

** If you have sex with a prostitute against her will, is it considered rape or shoplifting?
