**2 Wheel Wednesday** held at Yarusso Bros. Italian restaurant in St. Paul, Mn was exactly what I was told it was. Fantastic!! For the past 2 years I have been trying to attend, but was always sidetracked by something or other. I have eaten at Yarusso's on many occasions (in fact it's a must stop when in town for me). June 1st I just happened to be delivering the Free Riders Press in the St. Paul area, and was bound and determined to see what 2 Wheel Wednesday's was like. I got there around 5PM, a bit early, but I heard rumors that the area fills up fast. Man was that rumor correct. Both sides of the road, in the street and in parking lots near Yarusso's, FULL. WOW! So I was sitting there watching the riders come in, slow at first but steady. Soon food was brought out for purchase and I was hungry. I pigged out on some pizza and meatballs when it hit me, pasta was free for those that rode in, so when they brought out the free food I ate again. Yes I was full but the food here is to die for.(especially the baked mostaccioli)

After chatting with a bunch of people including the owners Mike, Annette and Freddy and taking some pics, I had to hit the road for home. All I can say is that if your ever in the cities on the first Wednesday of the month from 6:30 - 8 PM in the summer, stop in for a great time. Also check out their website for other events.
