Perfect!

Green Bay – June 4, 2006 – It was a perfect day for a motorcycle ride! That's what the 1400 participants thought when they came to take part in the 13th annual Packerland Ride for the Muscular Dystrophy Association on Saturday, June 3. After a 75-mile scenic round trip to Kewaunee and back, the riders raised \$90,000 to benefit the MDA. The Packerland Ride, organized by the Green Bay Harley Owners Group and McCoy's Harley-Davidson is the largest single-day fundraiser for the Northeast Wisconsin Muscular Dystrophy Association. Next year's ride is planned for June 2, 2007.

Muscular Dystrophy Association is a voluntary national health agency working to defeat 43 neuromuscular diseases through worldwide research, comprehensive client and community services such as MDA summer camp in Green Lake, MDA clinic appointments at St. Vincent Hospital, and MDA support groups. MDA also assists clients with leg braces, wheelchairs, and communication devices for clients.

The Green Bay Harley Owners Group is a non-profit group of Harley-Davidson motorcycle enthusiasts. The local

chapter participates in fund raising events and has adopted a section of highway for cleanup. Many social events are planned throughout the year to promote the enjoyment of Harley riding and motorcycle safety. [www.packerlandride.org](http://www.packerlandride.org)
