CMA Blessing of the Bikes at Capitol City H-D in Madison, WI was the site of what turned out to be a good showing, considering the weather. The temps were right around 50 degrees but there was a slight drizzle most of the time, which I'm sure kept some riders home. For those 70 bikes and riders that did venture out, they were treated to some revival music, good eats and some great fellowship. Roger and Gail Beavers did the officiating, with the other CMA members going into smaller groups so individuals that are having personal issues in there life, can have a more personal time/prayer. Many families with kids in tow (which is always nice to see) also came out. All in all this was a very uplifting day.
