In the examination room Fred nervously asks, "You won't laugh?"

"Of course I won't laugh," the doctor said. "I'm a professional. In over twenty years I've never laughed at a patient."

"Okay then," Fred said, and proceeded to drop his trousers, revealing the tiniest penis the doctor had ever seen. It couldn't have been the size of a peanut.

Unable to control himself, the doctor started giggling, then fell laughing to the floor. Ten minutes later he was able to struggle to his feet and regain his composure.

"I'm so sorry," said the doctor. "I really am, I don't know what came over me. On my honor as a doctor and a gentleman, I promise it won't happen again. Now, what seems to be the problem?"

Fred replied, "It's swollen."

Arnold came home from the pub late one Friday evening stinking drunk (as he often did) and crept into bed beside his wife who was already asleep.

He gave her a peck on the cheek and fell asleep. When he awoke he found a strange man standing at the end of his bed wearing a long flowing white robe.

"Who the hell are you?!" demanded Arnold, "and what are you doing in my bedroom?"

The mysterious man answered, "This isn't your bedroom, Arnold. I'm St.Peter."

Arnold was stunned. "You mean I'm dead?! That can't be. I have so much to live for. I haven't said goodbye to my family.....you've got to send me back right away."

St. Peter replied, "Yes you can be reincarnated but there is a catch. We can only send you back as a dog or a hen."

Arnold was devastated, but knowing there was a farm not far from his house, he asked to be sent back as a hen.

A flash of light later he was covered in feathers and clucking around pecking the ground. "This ain't so bad,"

he thought until he felt this strange feeling welling up inside him. The farmyard rooster strolled over and said, "So you're the new hen."

How are you enjoying your first day here?"

"It's not so bad," replies Arnold, "but I have this strange feeling inside like I'm about to explode."

"You're ovulating," explained the rooster. "Don't tell me you've never laid an egg before."

"Never!" replies Arnold.

"Well, just relax and let it happen," says the rooster.

And so he did, and after a few uncomfortable seconds later, an egg pops out from under his tail. An immense feeling of relief swept over him and his emotions got the better of him as he experienced motherhood for the first time.

When he laid his second egg, the feeling of happiness was overwhelming and he knew that being reincarnated as a hen was the best thing that ever happened to him...ever!!!

The joy kept coming and as he was just about to lay his third egg he felt an enormous smack on the back of his head and heard his wife shouting, "ARNOLD!! WAKE UP, YOU DRUNKEN B\*\*TARD!! YOU'RE SHITTING THE BED!!!"

A Texan walks into a bar in Minnesota and clears his voice to the crowd of drinkers.

He says, "I hear you Minnesotans are a bunch of hard drinkers.

I'll give \$500 dollars to anybody in here who can drink twelve bottles of beer back-to-back."

The room is quiet, no one takes up the Texan's offer.

Ole get up and leaves.

Thirty minutes later Ole shows back up and taps the Texan on the shoulder.

"Is your bet still good?" asks Ole.

The Texan says, "Yes" and asks the bartender to line up twelve bottles of beer .

Immediately Ole tears into all 12 of the bottles drinking them all back-to-back.

The other bar patrons cheer as the Texan sits in amazement.

The Texan gives Ole the \$500 and says, "If ya don't mind me askin',

where did you go for that thirty minutes you were gone?"

Ole replies, "Oh, I had to go to the bar down the street to see if I could do it first."

A chicken farmer went to a local bar, sat next to a woman, and ordered a glass of champagne. The woman perks up and says, "How about that? I just ordered a glass of champagne, too!"

"What a coincidence," he said, "This is a special day for me. I'm celebrating."

"This is a special day for me, too, and I'm also celebrating," says the woman.

"What a coincidence," says the man. As they clinked glasses he asked, "What are you celebrating?"

"My husband and I have been trying to have a child, and today my gynecologist told me I'm pregnant!"

"What a coincidence," says the man. "I'm a chicken farmer. For years all my hens were infertile, but today they're finally laying fertilized eggs."

"That's great!" says the woman, "How did your chickens become fertile?"

"I switched cocks," he replied.

She smiled and said, "What a coincidence....."

A biker was riding along a California beach when suddenly the sky clouded above his head and, in a booming voice, the Lord said, "Because you have TRIED to be faithful to me in all ways, I will grant you one wish."

The biker pulled over and said, "Build a bridge to Hawaii so I can ride over anytime I want." The Lord said, "Your request is materialistic, Think of the enormous challenges for that kind of undertaking. The supports required to reach the bottom of the Pacific! The concrete and steel it would take!

It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help mankind."

The biker thought about it for a long time. Finally he said, "Lord, I wish that I and all men could understand our wives. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, and how I can make a woman truly happy"

The Lord replied, "You want two lanes or four on that bridge?"
