"Free Riders Press" was part of God's Plan for our Salvation

As my wife, Joyce and I are standing at the Cross of Christ Church's 14th Annual Bike Blessing listening to the wonderful music and feeling God's mighty Presence, I notice the big biker from "Free Riders Press" and say, "You know your paper was instrumental in us finding this church and bringing us to our salvation." He smiled and said "I just love stories like that, write it up and send it in."

On June 21st, Father's Day 2006 a personal tragedy finally convicted my wife and I that we were leading a sinful life and were in need of the Lord Jesus Christ in our life. I called Pastor Will LeMieux, Chapter Chaplain of St. Paul's Hog Group and asked him for his help. As is normal procedure with Will, he jumped right on it and not only gave me a list of churches but personally brought me to a men's bible study at a church in West St. Paul. I'll be totally honest, I was afraid to take a chance because of our former experience in "Big Religion" churches.

I looked at the clutch cable on the "Super Glide" and saw it was kind of flopping around. Joyce and I got on our bikes and rode over to St. Paul Harley. The parts guy sold us a .70 part that holds the cable together. On the way out we picked up the July 2006 issue of "Free Riders Press".

We got home and I started paging through the "Free Riders Press" we had picked up and there was a picture of Cross of Christ Church's Annual Bike Blessing they had held in May. Preacher had written a nice article and had some great pictures. I told Joyce we should check this church out. I called Will and he said he was familiar with them and to "give it a try".

We pulled up to the church on our bikes July 7th, 2006. A group of bikers basically adopted us immediately and brought us physically inside the church. At the service, Joyce and I both surrendered our lives to Jesus Christ and were filled with the "Holy Spirit". I met Pastor Jon Bravinder after church and told him they probably didn't need someone like me with my sinful past and all. He just kept saying "We want you". Thanks to the Lord Jesus Christ for using Will LeMieux, "Free Riders Press" and Cross of Christ Church to bring us our day of salvation.
