Hoban Cycle operates in two segments, Hoban Brothers and Darkhorse Crankworks. Hoban Brothers offers complete machine shop services, along with standard service, parts, accessories, and consignment sales of Harley-Davidson and Buell motorcycles. We have very knowledgeable and experienced technicians that service all Harley models from early to late. We have gained a trusted reputation when it comes to performance modifications, and fuel injected tuning. Hoban Brothers started in 1980 and remains a family owned business. We are located in Osman, which is a little town in East Central Wisconsin along Lake Michigan in between Manitowoc and Sheboygan. The other segment of Hoban Cycle is Darkhorse Crankworks. We have a proprietary process to balance and rebuild crank assemblies better & often for half the cost. We also have an outstanding reputation for precision flywheel work, engine case machining and Timken bearing conversions. We have over 25 years of experience building engines and our National Championships in road racing support our passion to build the best. We've developed a strong dealer network consisting of Harley dealers and Independent dealers across the country, and into Canada that outsource their bottom end work to us. Hoban Cycle also runs a National Road Race Team. We compete in the MOTO-ST series with our Buell XB. The series consist of seven rounds with races lasting three hours with the final round being an eight hour race. Hoban Brothers Racing has been racing Harley's nationally since mid-90's with 3 National Championships, 6 Daytona wins and 3 World Landspeed records using our products.

In my opinion the best riding in the country are the Black Hills/Sturgis area of South Dakota. For the past few years Penny and I go out the week before Sturgis; stay in Deadwood; tour with the smaller crowds; but still catch the first couple of days of Sturgis week to enjoy the Sturgis experience.

On this page is just a small sample of the Black Hills map which includes Black Hills area, Bad Lands, Wyoming's Devil's Tower area, Mount Rushmore, Custer's State Park, and other places. We have full size 11 x 17 detailed color maps FREE for you.

You can stop in and pick one up at your local Independent Shop Association shop or write (please do not call) the law firm at Weigel, Carlson, Blau & Clemens, 3732 W. Wisconsin Avenue, Milwaukee, WI 53208-3153. Your name will not be saved and will not go on any mailing list.

BIKER TIPS: Attorney Joe Weigel of Weigel, Carlson, Blau & Clemens, S.C. of Milwaukee has been a biker for over 40 years. Here is one of his tips. Use it if it helps.
