

Ride For Kids

I am a Ride for Kids® Star. For those unfamiliar with the Pediatric Brain Tumor Foundation (PBTf) and the Ride for Kids, this means that I was diagnosed with a brain tumor as a child. Statistically speaking I was not alone. Every day, ten more children are diagnosed with a brain tumor and four of those children will die within five years. As I and my family learned these facts and realities we became aware of an organization dedicated to fighting the disease on every front. The

In addition to contributing invaluable dollars for a cure the organization supports the families and survivors of a pediatric brain tumor in every way possible. I was the proud recipient of a college scholarship and in a small way am a testament to the lasting impact of this wonderful event. Each year as the riders gather with the Stars for the Celebration of Life I am reminded how fortunate I am to be alive, healthy, and happy.

So on August 1, 2010 come to the Wisconsin Ride For Kids® at Fireman's Park in Middleton, WI. Grab some coffee and a donut, take a pleasant ride with hundreds of fellow motorcyclists, and witness an event that simultaneously celebrates, and makes possible, the lives of children winning their battle against a terrible disease. Ride for Kids Star, and proud volunteer, Joel

Pediatric Brain Tumor Foundation is a leader in this fight and the backbone of their efforts is the Ride for Kids program. That's why I'll be volunteering at Fireman's Park in Middleton, WI and participating in the Wisconsin Ride for Kids for the seventh straight year.

By simply joining in this fantastic ride on Sunday August 1st you can help change the lives of thousands of children. Registration opens at 8 a.m., and closes at 9:45 a.m. The scenic, escorted ride starts at 10 a.m. sharp, rain or shine. Call 1-800-253-6530, or visit rideforkids.org for more information.

The PBTf is a positive force in the lives of all those affected by a pediatric brain tumor.
