

Great Lakes Drag-A-Way in Union Grove, WI is a great venue to have an event. Plenty of room, drag races, food & beverage, what more do you need? Last year I popped in for the Harley Shoot-out that was being held in conjunction with Free Riders Press' advertiser Firehouse Performance's Customer Appreciation party.

This year the Shoot-Out is not happening but the party is. I am anticipating on being at the drag strip July 23rd for the party and hopefully more. If you get a chance to stop out or have never been there before check out their website at [www.greatlakesdragaway.com](http://www.greatlakesdragaway.com) for a full summer packed with spectacular racing.

If you need any work done or need a copy of the Free Riders Press in the Kenosha area feel free to stop in and grab one. Bryan is a great guy and will do what he can to help you out. I know he saved my ass on a bike ride to the area a few years back. Stator is still kickin' strong!!! Check out his site at [firehouseperformance.com](http://firehouseperformance.com).
