11th Annual Highground Ride to Remember Motorcycle Rally Honoring Animals in Service

The Highground's Ride to Remember motorcycle rally dedicates itself to remembering our veterans, POWs and MIAs. Our Friday night opening ceremony will touch the hearts and souls of all participants as only a shared experience on The Highground can. Saturday's ride will provide the best a day on your bike has to offer. A celebration picnic makes the day complete. Add the element of honoring those whose service makes our way of life possible and this rally is an event you won't want to miss.

The Highground is located 3 miles west of Neillsville on US Highway 10 and 30 miles east of Onezo from the junction of I-94 and US Hwy 10.

For more information & pre-registration, contact The Highground at 715-743-4224 or email at highground@ndis.net. For additional information on other Highground events, visit our website at www.thehighground.org.

from Dave Zien

Thanks be to God, my family and friends for giving me a new temporary lease on life. So much to say - so little time. It will take the rest of my life to say thank you for the prayers, cards, gifts and letters.

To survive this March 13, 2011 (6:15AM) crash was miraculous in itself. The collision with the overturned SUV lying in the passing lane - sent my Harley and me 342 ft. The front wheel went another 1/4 mile. Completely communicative and coherent from the accident scene to the Emergency Room by helicopter was another miracle of survival. Fifty plus fractures of the left leg, 32 units of blood, 1500 cc of blood clots and blood in the stomach cavity (discovered 4 days later during a spleen surgery). 8 days on the cardiac unit - all demonstrate God's hand upon me.

All of us have or will know the Hand of God and feel the presence of Angels. Unfortunately, some of us won't know until our deathbed. Thank you, Jesus for this opportunity to worship you!

Update: July 27, 2011 is the DVD release date of "Born to Ride" by American World Pictures and Image Entertainment. See wolfonthemoon.com. americanpictures.com

The next movie by Mike Anthony Jones is planned to be filmed in September at Milwaukee and Chicago. There might be a need for extras, so stay tuned to the Free Rider Press and other major publications.

Most exciting is another movie in the works that reviews the world's 8 major religions. All the similarities, ironies and idiosyncrasies become paramount. My role in this movie is to look, act and be like Moses, according to Mike Jones.

The biker lifestyle emanates our very existence. May the Wind, God's Holy Spirit bath your every essence!
God Bless You!
