I don't know about you, but Lorie and I attend as many Veterans events as possible. Why? Because we feel it is a great way to say thank you for your service. Be it a send-off, homecoming, Memorial Day parade, Veterans Day or just a fund raiser for a veterans group. This event attended by Lorie and I along with our grandson Riley was the parade for Memorial Day in Berlin, WI. Many attendees with a real sense of community.

There was a moment when a vehicle driven by a VFW member stalled and the battery was dead in the middle of the road. It didn't take long for many people to run out and give it a push start to get it going. (Lucky it was a stick) That right there is what it is about! Don't you think so....
