

MDA Tub Run Attracts Over 1,200 Motorcyclists And Raise Over \$130,000 For MDA

Janesville, WI- Over 1,200 motorcyclists kicked off the 18th Annual MDA Tub Run on Saturday, June 16th at Kutter Harley-Davidson. Tub Run events ran throughout the weekend and raised over \$130,000 for the Muscular Dystrophy Association. Pledge riders alone raised over \$13,000 and the event bike raffle raised a record high of over \$9,000.

Three pledge riders raised over \$1,000 and had the opportunity to lead the ride with longtime Tub Run supporter, Laura Niemeier. Laura's husband, Cal, passed away in April after battling two long years of ALS (Lou Gehrig's Disease). Cal carried the American flag at the front of the ride for 17 years and this year his memory lived on. Laura said, "an angel was riding behind her throughout the entire ride."

For 18 years, the South Central Wisconsin Janesville Harley Owners Group and Muscular Dystrophy Association have teamed up to create a memorable experience for both the participants and clients fighting neuromuscular disease. All proceeds from the Tub Run will benefit local clients of the Muscular Dystrophy Association, and help finance clinic visits at UW Hospital, support groups, and a weeklong stay at MDA Summer Camp in Kenosha County.

MDA is a voluntary health agency working to defeat more than 43 neuromuscular diseases through programs of worldwide research, comprehensive services and far-reaching professional and public health education. To volunteer or for more information about MDA's programs and services, call (608) 222-3269.

Party with Patriots
The first week of July, 2012 is shaping up to be memorable. On July 4th, as you celebrate with brats and beer around the family grill, don't forget what the holiday is really all about. Also, don't forget to say a prayer for our armed forces defending freedom and liberty that so many before them fought to secure. On July 5th, former Wisconsin Governor Tommy G. Thompson will visit the Road Guardians Compound in Big Bend and he wants you to join him for free food, drink and socializing the way bikers do it best (4:30pm to 6:00pm). Then he's hopping on his bike and riding with us to the HD Museum for Bike Night, followed by an 8:00pm meet and greet at the Iron Horse Hotel.

On Saturday, July 7th, the Rider Activity Guide (RAG) is throwing a party for the American Working Man. This is old school biker classic. \$20 admission gets you food and drink, live music, vendors, Pandemonium Ride-in Bike Show (classes are rare, juicy and well done; you figure it out), and lots of entertainment by the Jager girls and other cute treats. Sorry, no midget dancing this time, but stick around for the after hours fun. Proceeds from the RAG party will benefit Accident Scene Management, Inc. If you've taken the course or have been helped by someone who has, you need to support this party. Details on the above events at <http://www.rgcompound.com/calendar-of-events>
