## KEEP EM ROLLING!

Keeping your ride on the road can be a challenge in today's world. The quality of parts and service is paramount and that is where experience matters. Our cooperative offers you a cost effective, knowledgeable alternative to other shops.

### OIL CHANGES 1936-2010 ALL

When only the best will do, AMSOIL Synthetic 20W-50 Motorcycle Oil (MCV) is premium oil designed for those who demand the absolute best lubrication for their motorcycles. AMSOIL MCV is the result of extensive research, and it is specially formulated to excel in all areas unique to motorcycles, including high temperatures of air-cooled engines such as Harley Davidson® V-Twin, wet clutch lubrication, extreme pressure regions of gears and chains and rust common to short trips and storage.

We also offer other high quality oils that keep you rolling!

### SCHEDULED SERVICE INTERVALS 1936-2010 ALL

Before you put off that 10,20,30 or 40K service, remember how your bike used to perform, the clutch was easy to pull in, the brakes didn't make that sound, and what the hell is that noise? Protect your investment, enjoy your bike again! Schedule your service today!
