Stopped by police @ 2am an elderly man was stopped by the police around 2 a.m. and was asked where he was going at that time of night. The man replied, "I'm on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late." The officer then asked, "Really? Who's giving that lecture at this time of night?" The man replied, "That would be my wife."

Who said, 'Government of the People, by the People, for the People, shall not perish from the Earth?' Again, no response except from Little Akio: 'Abraham Lincoln, 1863'. 'Excellent!', said the teacher continuing, 'let's try one a bit more difficult...' Who said, 'Ask not what your country can do for you,

RIDERS

but what you can do for your country?' Once again, Akio's was the only hand in the air and he said: 'John F. Kennedy, 1961'. The teacher snapped at the class, 'Class, you should be ashamed of yourselves, Little Akio isn't from this country and he knows more about our history than you do.' She heard a loud whisper: 'F*@ k the Japs.'. 'Who said that? I want to know right now!' she angrily demanded. Little Akio put his hand up, 'General MacArthur, 1945.' At that point, a student in the back said, 'I'm gonna puke.' The teacher glares around and asks, 'All right!!! Now who said that!?' Again, Little Akio says, 'George Bush to the Japanese Prime Minister, 1991.' Now furious, another student yells, 'Oh yeah? Suck this!' Little Akio jumps out of his chair waving his hand and shouts to the teacher, 'Bill Clinton, to Monica Lewinsky, 1997!' Now with almost mob hysteria someone said, 'You little shit If you say anything else, I'll kill you.' Little Akio frantically yells at the top of his voice, 'Michael Jackson to the children testifying against him, 2004.' The teacher fainted. As the class gathered around the teacher on the floor, someone said, 'Oh crap, We're screwed!' Little Akio said quietly..... 'The American people, November 4, 2008

A man and a woman had been married some time when the woman began to question her husband. "I know you've been with a lot of woman before. How many were there?" The husband replied, "Look, I don't want to upset you, there were many. Let's just leave it alone." The wife continued to beg and plead. Finally, the husband gave in. "Let's see." he said "There was one, two, three, four, five, six, you, eight, nine..."

The math teacher saw that little Johnny wasn't paying attention in class. She called on him and said, "Johnny! What are 2 and 4 and 28 and 44?" Little Johnny quickly replied, "NBC, CBS, HBO and the Cartoon Network!"

HUMOR

A man walked into a bar on a slow night and sat down. After a few minutes, the bartender asked him if he wanted a drink. He replied, "No thanks. I don't drink. I tried it once, but I didn't like it." So the bartender said, "Well, would you like a cigarette?" But the man said, "No thanks. I don't smoke. I tried it once, but I didn't like it." The bartender asked him if he'd like to play a game of pool, and again the man said, "No thanks. I don't like pool. I tried it once, but I didn't like it. As a matter of fact, I wouldn't be here at all, but I'm waiting for my son." The bartender said, "Your only son, I'm guessing."

An Amish lady trots down the road in her horse and buggy when a cop pulls her over. "Ma'am," says the cop, "I'm not going to ticket you, but I do have to issue you a warning. You have a broken reflector on your buggy." "Oh, I'll let my husband, Jacob, know as soon as I get home," responds the Amish lady. "That's fine. Another thing, ma'am. I don't like the way that one rein loops across the horse's back and around his balls. I consider that animal abuse. Have your husband take care of that right away," instructs the cop. Later, the lady tells her husband about her encounter with the cop. "He said the reflector is broken," she tells her husband. "I can fix that in two minutes. What else?" asks Jacob. She says, "I'm not sure, Jacob -- something about the emergency brake."

Fred's convertible glided to a halt on the edge of a lonely country road. "I suppose," said his pretty but reluctant date, "you're going to pull the old 'out of gas' routine." "No," said Fred, "I'm going to pull the 'here after' routine." "The 'here after' routine... what's that?" she wanted to know. "If you're not here after what I'm here after, you'll be here after I'm gone!" he replies.
