A Doctor was addressing a large audience in Tampa.. 'The material we put into our stomachs is enough to have killed most of us sitting here, years ago. Red meat is awful. Soft drinks corrode your stomach lining.. Chinese food is loaded with MSG. High fat diets can be disastrous, and none of us realizes the long-term harm caused by the germs in our drinking water. However, there is one thing that is the most dangerous of all and we all have eaten, or will eat it. Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?' After several seconds of quiet, a 75-year-old man in the front row raised his hand, and softly said, 'Wedding Cake.'

I think the life cycle is all backwards. You should start out dead and get it out of the way. Then, you wake up in an old age home feeling better every day. You get kicked out for being too healthy; go and collect your pension, and then when you start work, you get a gold watch on your first day. You work 40 years until you're young enough to enjoy your retirement. You drink alcohol, you party, you're generally promiscuous and you get ready for High School. You go to primary school, you become a kid, you play, you have no responsibilities, you become a baby, and then... You spend your last nine months floating peacefully in luxury, in spa-like conditions; central heating, room service on tap, larger quarters every day, and then, you finish off as an Orgasm.

An elderly gentleman... Had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100% The elderly gentleman went back in a month to the doctor and the doctor said, "Your hearing is perfect. Your family must be really pleased that you can hear again." The gentleman replied, "Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!"

A trucker goes into a warehouse and hands the Madam five hundred dollars. He says, "I want your ugliest woman and a bologna sandwich." The Madam says, "For that kind of money, you could have one of my finest girls and surf and turf." The trucker says, "I ain't horny, I'm homesick."

A little boy was attending his first wedding. After the service, his cousin asked him, "How many women can a man marry?" "Sixteen," the boy responded. His cousin was amazed that he had an answer so quickly. "How do you know that?" "Easy," the little boy said. "All you have to do is add it up, like the Bishop said: 4 better, 4 worse, 4 richer, 4 poorer"

One Monday morning, Shane the mailman, was riding through the neighborhood on his usual route, delivering the mail. As he approached one of the homes he noticed that both cars were still in the driveway. His wonder was cut short by David, the homeowner, coming out with a load of empty beer, wine and spirit bottles for the recycling bin. "Wow David, looks like you guys had one hell of a party last night," Shane commented. David, in obvious pain, replied, "Actually we had it Saturday night. This is the first time I have felt like moving since 4:00 o'clock Sunday morning. We had about 15 couples from around the neighborhood over for some weekend fun and it got a bit wild. We all got so drunk around midnight that we started playing WHO AM I?" Shane thought for a moment and said, "How do you play WHO AM I?" "Well, all the guys go in the bedroom and come out one at a time covered with a sheet with only the 'family jewels' showing through a hole in the sheet. Then the women try to guess who it is." The mailman laughed and said, "Sounds like fun, I'm sorry I missed it." "Probably a good thing you did," David responded, "Your name came up 7 times."

Ethel was a bit of a demon in her wheelchair, and loved to charge around the nursing home, taking corners on one wheel and getting up to maximum speed on the long corridors. Because the poor woman was one sandwich short of a picnic the other residents tolerated her and some of them actually joined in. One day Ethel was speeding up one corridor when a door opened and Kooky Clarence stepped out with his arm outstretched. 'STOP!' he shouted in a firm voice. 'Have you got a license for that thing?' Ethel fished around in her handbag and pulled out a Kit Kat wrapper and held it up to him. 'OK' he said, and away Ethel sped down the hall. As she took the corner near the TV lounge on one wheel, weird Harold popped out in front of her and shouted 'STOP! Have you got proof of insurance?' Ethel dug into her handbag, pulled out a drink coaster and held it up to him. Harold nodded and said 'On your way, Ma'am.' As Ethel neared the final corridor, Crazy Craig stepped out in front of her, Butt-Naked, and holding his 'You-Know-What' in his hand. 'Oh, good grief,' yelled Ethel, 'Not that Damn Breathalyzer Test again!!!!'
