A week after their marriage, the redneck newlyweds paid a visit to their doctor. "You ain't gonna believe this, Doc," said the husband. "My whacker's turnin' blue." That's pretty unusual," said the doctor. "Let me examine you." The doctor takes a look. Sure enough, the redneck's penis was really blue. The doctor turns to the wife, "Are you using the diaphragm that I prescribed for you?" "Yep, sure am," she replied brightly. "And what kind of jelly are you using with it?" "Grape."

The Navy found they had too many officers and decided to offer an early retirement bonus. They promised any officer who volunteered for retirement a bonus of \$1000 for every inch measured in a straight line between any two points in his body. The officer got to choose what those two points would be.

The first officer, who accepted, asked that he be measured from the top of his head to the tip of his toes. He was measured at six feet and walked out with a bonus of \$72,000.

The second officer who accepted was a little smarter and asked to be measured from the tip of his outstretched hands to his toes. He walked out with \$96,000.

The third one was a grizzly old Captain who, when asked where he would like to be measured, replied, "From the tip of my penis to my testicles."

The pension man suggested that he may want to reconsider, explaining about the nice checks the previous two officers had received. But the old Captain insisted and they decided to go along with him, providing a medical officer took the measurement.

The medical officer arrived and instructed the Captain to drop'em, which he did. The medical officer placed the tape measure on the tip of the Captain's penis and began to work back.

"My God!", he suddenly exclaimed, "Where are your testicles?"  
The Captain calmly replied, "Vietnam.0

Two guys are fishing when one of them catches a fish. He brings it in the boat and as he cuts it open to clean it, a genie pops out and says, "Thanks for freeing me I will grant you one wish"

The fisherman looks around and says, "well we are almost out of beer, how about you turn this whole damn lake into beer". \*POOF\* the genie grants his wish and leaves.

His partner slaps him on the chest and says, "What the hell did you do that for, now we have to piss in the boat!!"

A sailor walks into a bar and takes a seat next to a very attractive woman. He gives her a quick glance then casually looks at his watch for a moment.

The woman notices this and asks, "Is your date running late?"

"No," he replies, "I just got this state-of-the-art watch, and I was just testing it."

The intrigued woman says, "A state-of-the-art watch? What's so special about it?"

The sailor explains, "It uses alpha waves to talk to me telepathically."

The lady says, "What's it telling you now?"

"Well, it says you're not wearing any panties...."

"The woman giggles and replies, "Well it must be broken because I am wearing panties!"

The sailor smirks, taps his watch and says, "Damn thing's an hour fast."

**Science Lesson**

In a school science class four worms were placed into four separate jars.

The first worm was put into a jar of alcohol.

The second worm was put into a jar of cigarette smoke.

The third worm was put into a jar of sperm.

The fourth worm was put into a jar of soil.

After one day, these were the results:

The first worm in alcohol - dead.

Second worm in cigarette smoke - dead.

Third worm in sperm - dead.

Fourth worm in soil - alive.

So the Science teacher asked the class - "What can you learn from this experiment?"

Little Johnny quickly raised his hand and said, "As long as you drink, smoke and have sex, you won't have worms."

Little Johnny watched, fascinated, as his mother smoothed cold cream on her face.

"Why do you do that, mommy?" he asked.

"To make myself beautiful," said his mother, who then began removing the cream with a tissue.

"What's the matter?" asked Little Johnny. "Giving up?"
