The president and sergeant-at-arms of a local chapter of a well-known motorcycle club were debating the amount of "work" involved in sex.

"I think sex is 50% fun and 50% work", said the president.

"I think sex is 75% fun and 25% work", responded the sergeant-at-arms.

When they asked a prospect who was washing the motorcycles of the president and sergeant-at-arms for his opinion on the subject, the prospect responded "I think sex is 100% fun."

When asked how in the hell he could possibly think that, the prospect responded "If there was any damn work involved in sex you both would have me doing it!"

Senator Hillary Clinton was invited to address a major gathering of the American Indian Nation two weeks ago in upper New York State. She spoke for almost an hour on her future plans for increasing every Native American's present standard of living, should she one day become the first female President. She referred to her career as a New York Senator, how she had signed "YES" for every Indian issue that came to her desk for approval. Although the Senator was vague on the details of her plan, she seemed most enthusiastic about her future ideas for helping her "red sisters and brothers." At the conclusion of her speech, the Tribes presented the Senator with a plaque inscribed with her new Indian name -Walking Eagle. The proud Senator then departed in her motorcade, waving to the crowds. A news reporter later inquired to the group of chiefs of how they come to select the new name given to the Senator. They explained that Walking Eagle is the name given to a bird so full of shit it can no longer fly.

Two Irishmen were sitting in a pub having beer and watching the brothel across the street. They saw a Baptist minister walk into the brothel, and one of them said, "Aye, 'tis a shame to see a man of the cloth goin' bad." Then they saw a Rabbi enter the brothel, and the other Irishman said, "Aye, 'tis a shame to see that the Jews are fallin' victim to temptation." Then they saw a Catholic priest enter the brothel, and one of the Irishmen said, "What a terrible pity...one of the girls must be quite ill."

RIDERS

I went fishing the other day when I heard a voice say, "Pick me up." I looked around and could not see any one. I thought I was dreaming when he heard the voice again, "Pick me up,"

I looked in the water and there floating on the top was a frog. I asked, "Are you talking to me?"

The frog said, "Yes, I'm talking to you. Pick me up and kiss me and I'll turn into the most beautiful woman you have ever seen and will give you the most wonderful sexual pleasures that you have ever dreamed of."

I looked at the frog for a short time and then reached over and picked it up carefully, placing it in my front breast pocket. Then the frog said, "What are you nuts, didn't you hear what I said? I said kiss me and I will give you sexual pleasures like you have never had."

I opened my pocket, looked at the frog and said, "Naah, at my age I'd rather have a talking frog."

A biker stops by the Harley Shop to have his bike fixed. They couldn't do it while he waited, so he said he didn't live far and would just walk home. On the way home he stopped at the hardware store and bought a bucket and an anvil. He stopped by the feed store / livestock dealer and picked up a couple of chickens and a goose. However, he now had a problem: how to carry all of his purchases home. The owner said, "Why don't you put the anvil in the bucket, carry the bucket in one hand, put a chicken under each arm and carry the goose in your other hand?" "Hey, thanks", the biker said, and out the door he went. But in the parking lot he was approached by a little old lady who told him she was lost. She asked, "Can you tell me how to get to 1603 Mockingbird Lane?" The biker said, "Well, as a matter of fact, I live at 1616 Mockingbird Lane. Let's take my short cut and go down this alley. We'll be there in no time." The little old lady looked him over cautiously and then said, "I am a lonely widow without a husband to defend me. How do I know that when we get in the alley you won't hold me up against the wall, pull up my skirt, and ravish me?" The biker said, "Holy smokes lady! I am carrying a bucket, an anvil, two chickens, and a goose. How in the world could I possibly hold you up against the wall and do that?" The lady said, "Set the goose down, cover him with the bucket, put the anvil on top of the bucket, and I'll hold the chickens."
