LAURA THE POTTER
BIKER POTTERY

Every piece is hand thrown on the potters wheel, then hand sculptured pieces added when the pot is half dry. Every piece will be different. All my products are stoneware. They are food safe, can be used in the microwave, dishwasher and the standard oven.

*Pottery is not my hobby...
 It's my way of life.
 When I grab that glob of earth
 And move with the rhythm of the wheel,
 My tactile senses come alive
 To create an object of beauty and function...
 It's the hardest work I've ever loved.
 I've been doing this for 14 years now...
 I am what I am.
 Biker Pottery is a way for me to
 Express my passion for bikes as well as my
 Passion for pottery.*
