From the Editor:

Another month has come and gone. Warm weather is upon us and everyone is running around like crazy trying to get all the riding in they can. Has everyone attended some of the benefits, parties or all around biker doings that have been put on. I know I have seen some great attendances at certain events like the Roadrunners Bike Blessing in Milwaukee. Granted, warm and sunny does seem to bring out more riders, wouldn't you say so? I would also like to thank those that have attended our advertisers events. Without you they don't succeed, without them FRP don't succeed, and without FRP, well I like to think it helps everyone.

A short summary of my month can be summed up with two words, "roller coaster". Many of you know my kid "Dude or DJ" from the shows, swaps and events. Well like any parent I get the honors and worries of being able to say that my son is now a National Guard member. In today's world it is an awkward feeling, but I know I am not the only one in this position. In fact it actually heightens my feelings when it comes to all of our soldiers serving here and abroad. Join me in saying thank you to all that serve and have served.

And finally, like the old picture book says "Where's Waldo"! But in my world it's more like "Where's Preacher going to be this month". I ended up hitting all but one of my scheduled stops last month of advertised events, not bad. My tentative schedule is..... Memorial Weekend here there and everywhere. June 2nd I will be in Milwaukee, WI for a couple of events, then up to Ray's/Hardtail's party (see calender for all these)- June 9th Elroy Bike Meet www.elroybikemeet.com Lorie & I will be running with some other couples and will be staying at the Blue Highway Motorcycle Lodge www.bluehighwaymotorcyclodge.net (if your looking for a relaxing weekend give them a call). As far as the weekends of the 16th and 23rd I will be drawing out of a hat I guess. To many to choose from. Check out the calender for all the choices. Other than that, remember Flag Day June 14th as the Highground is having a goings on. www.thehighground.org

Keep it Safe, upright and Don't drink and Ride. Till next time.

Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

Trivia, Trivia, Trivia

The winner last month is Kevin Layne of Andove, MN with the right answer of "Isl of Mann TT" that first ran in 1903!

He was pulled from the many right answers. Now wasn't that easy Kevin.

Here's how to play. I give you a question supplied to me by PIPEZ. When you have the answer, e-mail it to trivia@gmaxpro.com and around the 10th we will post the answer on www.gmaxpro.com/FREE-RIDERS-TRIVIA web page. From the right answers we will draw a winner. These folks will win products and items that are donated from different advertisers and businesses. Sound easy enough? Lets get to it!!!

Who is considered the father of the motorcycle and what year was his motorcycle built?

Remember: e-mail answer to e-mail it to trivia@gmaxpro.com

"Bingo's Downed Biker Fund"

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
