I was at this year's spring event in Conesville, Iowa for Thursday. This was the 1st year they had official entertainment on Thursday. The camping spots were going fast on the North side of the drag strip and the south side was full by late that day. The new camping area was filling up as well. All I can say is that I will be there for the whole rally coming this September during the Labor Day weekend. Watch this space for more info on that event.

This month over the way in Cambridge, IL Bradly's is opening give them a try and tell I sent you.
