I was walking past the mental hospital the other day, and all the patients were shouting, "13...13....13..13." The fence was too high to see over, but I saw a little gap in the planks and looked through to see what was going on. Some bastard poked me in the eye with a stick. Then they all started shouting. "14...14....14..14....".

Four men were bragging about how smart their cats were. The first man was an Engineer, the second man was an Accountant, the third man was a Chemist, and the fourth man was a Government Employee. To show off, the Engineer called his cat, "T-square, do your stuff." T-square pranced over to the desk, took out some paper and pen and promptly drew a circle, a square, and a triangle. Everyone agreed that was pretty smart. But the Accountant said his cat could do better. He called his cat and said, "Spreadsheet, do your stuff." Spreadsheet went out to the kitchen and returned with a dozen cookies. He divided them into 4 equal piles of 3 cookies. Everyone agreed that was good. But the Chemist said his cat could do better. He called his cat and said, "Measure, do your stuff." Measure got up, walked to the fridge, took out a quart of milk, got a 10 ounce glass from the cupboard and poured exactly 8 ounces without spilling a drop into the glass. Everyone agreed that was pretty good. Then the three men turned to the Government Employee and said, "What can your cat do?" The Government Employee called his cat and said, "CoffeeBreak, do your stuff." CoffeeBreak jumped to his feet..... ate the cookies..... drank the milk..... sh\*t on the paper..... screwed the other three cats..... claimed he injured his back while doing so..... filed a grievance report for unsafe working conditions..... put in for Workers Compensation.....and went home for the rest of the day on sick leave.

The Maid asked for a Raise...  
The Madam was very upset about this and asked: 'Now Maria, why do you want an increase?'  
Maria: 'Well Madam, there are three reasons why I want an increase.  
The first is that I iron better than you.'  
Madam: 'Who said you iron better than me?'  
Maria: 'The Master said so.'  
Madam: 'Oh.'  
Maria: 'The second reason is that I cook better than you.'  
Madam: 'Nonsense, who said you were a better cook?'  
Maria: 'The Master did.'  
Madam: 'Oh.'  
Maria: 'My third reason is that I am a better lover.'  
Madam (very upset now): 'Did the Master say so as well?'  
Maria: 'No Madam, the gardener did.'  
SHE GOT THE PAY RAISE..!

A man was leaving a convenience store with his morning coffee when he noticed a most unusual funeral procession approaching the nearby cemetery. A long black hearse was followed by a second long black hearse about 50 feet behind the first one. Behind the second hearse was a solitary man walking a dog on a leash. Behind him, a short distance back, were about 200 men walking single file. The man couldn't stand the curiosity. He respectfully approached the man walking the dog and said, 'I am so sorry for your loss, and I know now is a bad time to disturb you, but I've never seen a funeral like this. Whose funeral is it?'  
'My wife's.'  
'What happened to her?'  
The man replied, 'My dog attacked and killed her.'  
He inquired further, 'But who is in the second hearse?'  
The man answered, 'My mother-in-law. She was trying to help my wife when the dog turned on her.'  
A poignant and thoughtful moment of silence passed between the two men.  
'Can I borrow the dog?'  
'Get in line.'

Q. Why are married women heavier than single women?  
A. Single women come home, see what's in the fridge and go to bed. Married women come home, see what's in bed and go to the fridge.

After being married for 44 years, I took a careful look at my wife one day and said, "honey, 44 years ago we had a cheap apartment, a cheap car, slept on a sofa bed and watched a 10-inch black and white TV, but I got to sleep every night with a hot 25-year-old gal. Now I have a \$500,000 home, a \$45,000 car, nice big bed and plasma screen TV, but I'm sleeping with a 65-year-old woman. It seems to me that you're not holding up your side of things." My wife is a very reasonable woman. She told me to go out and find a hot 25-year-old gal, and she would make sure that I would once again be living in a cheap apartment, driving a cheap car, sleeping on a sofa bed and watching a 10-inch black and white TV. Aren't older women great? They really know how to solve your mid-life crises.

Home of the world's 1st DynoStar "Lamborghini Dyno" Choppers, Drag Bikes, or Stock (up to 120" wheelbase)

A 10-year-old girl was walking down the street when a big man on a black motorcycle pulls up beside her and says 'Hey little girl, do you want to go for a ride?'  
'NO!' says the little girl as she keeps on walking.give you \$10 if you hop on the back.'  
'NO!' said the little girl and proceeded down the street a little quicker.  
The motorcyclist pulls up to the little girl again and says 'Okay kid, I will give you \$20 and a BIG bag of candy if you hop on the back of my bike for a ride.'  
At this point the little girl turns to him and screams angrily 'Look Dad, YOU bought a Honda instead of a Harley so YOU ride it!'
