**Grayslake, IL. Canceled**

This is to inform all that JUNE 22 and Nov 16th events have been cancelled.

There was to be a motorcycle rally and festival at this location on May 3rd. Attendance was estimated to be up to 35,000 by the promoter, and as written up on the front page, May 5, 2008 Chicago Tribune. The event would be on Saturday. Friday at 4:30, the village pulled their permit and CANCELLED the event. All the attendees that came, we turned away by the police.

No need to say much for our events there other than "CANCELLED due to City policy"

We do not want to hurt ANY of our vendors, who travel, book motels, and load, unload and hit the road at \$ 4.00 a gallon to even remotely face something like this. Many thanks Buzz Walneck 630 / 985 - 2097
