

Each month we will be printing pictures of soldiers and their families of the Wisconsin National Guard 32nd Infantry Brigade Combat Team. This is the largest deployment from Wisconsin since WWII. There are approximately 3200 soldiers from the 32nd brigade in Iraq and Kuwait right now. Please keep all these men and women in our prayers and thoughts while they fight the war against terrorism. If you have a family member or friend who is deployed and would like to submit their picture you can mail it to the Free Riders Press or email it to [lorie@freeriderspress.us](mailto:lorie@freeriderspress.us). If you are a soldier and would like to receive the paper please email me with your address.
