A blonde and her husband are lying in bed listening to the next door neighbor's dog. It has been in the backyard barking for hours and hours. The blonde jumps up out of bed and says, "I've had enough of this."

She goes downstairs. The blonde finally comes back up to bed and her husband says, "The dog is still barking, what have you been doing?"

The blonde says, "I put the dog in our backyard, let's see how THEY like it!"

A mechanic was removing a cylinder head from the motor of a Harley motorcycle when he spotted a well-known heart surgeon in his shop. The surgeon was waiting for the service manager to take a look at his bike. The mechanic shouted across the garage, "Hey Doc, can I ask you a question?" The surgeon, a bit surprised, walked over to the mechanic working on the motorcycle. The mechanic straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I open its 'heart', take valves out, fix'em, put'em back in; and when I finish, it works just like new. So how come I get such a measly salary and you get the really big bucks when you and I are doing basically the same kind of work?"

The surgeon paused, smiled, leaned over and whispered to the mechanic, "Try doing it with the engine running."

Three nuns stand at the Pealry Gates of Heaven, and Saint Peter turns to them and explains that they must answer a single question each to enter the Kingdom of Heaven. Sister Lara steps forward.

"Who was the first man on God's Earth?" asks Saint Peter.

"Adam," the sister replies. And the lights flash, the bells toll and the gates of Heaven open.

Sister Evelyn steps forward and says she is ready.

"Who was the first woman on God's Earth?" asks Saint Peter.

"Eve," the sister replies. And the lights flash, the bells toll and the gates of Heaven open.

The Mother Superior steps forward and announces that she is ready.

"What was the first thing Eve said to Adam?" asks the Saint. The Mother Superior is shocked.

"My goodness," she says, "that's a hard one." And the lights flash, the bells toll and the gates of Heaven open.

An Irish guy walks into the bedroom with a sheep on a leash and says, "Honey, this is the cow I make love to when you have a headache."

The wife, lying in the bed reading a book, looks up and says, "If you weren't such an idiot, you'd know that's a sheep, Not a cow."

The guy replies, "If you weren't such a presumptuous bitch, You'd realize I was talking to the sheep."

A man who hated his wife's cat decided to get rid of the animal by driving him several blocks away from home and letting him out of the car. When he got home, he found the cat already on the front porch.

Next day, when his wife went shopping, he took the cat and drove 20 blocks away and dumped off the cat. Upon returning, he found the cat strolling up to the front door. Vexed, the next day he took the cat to the far side of the next town -- over two rivers, a set of railroad tracks, and half way up a winding mountain road, where he flung the cat out the window.

Half an hour later, the home phone rang, and his wife answered. "Is that damned cat home," the husband asked his wife.

"Yes, he's sitting on the front porch," she replied.

"Well put him on the phone, will you? I'm lost and I need directions back to the damned house...."

Maria had just gotten married, and being a traditional Italian she was still a virgin. On her wedding night, staying at her mother's house, she was very nervous.

Her mother reassured her; 'Don't worry, Maria, Tony's a good man. Go upstairs and he'll take care of you. Meanwhile, I'll be making pasta.'

So, up she went. When she got upstairs, Tony took off his shirt and exposed his hairy chest. Maria ran downstairs to her mother and says, 'Mama, Mama, Tony's got a big hairy chest.'

'Don't worry, Maria,' says the mother, 'all good men have hairy chests. Go upstairs. He'll take good care of you.'

So, up she went again. When she got up in the bedroom, Tony took off his pants exposing his hairy legs. Again, Maria ran downstairs to her mother. 'Mama, Mama, Tony took off his pants and he's got hairy legs!'

'Don't worry! All good men have hairy legs. Tony's a good man. Go upstairs and he'll take good care of you.'

So, up she went again. When she got there, Tony took off his socks and on his left foot he was missing three toes. When Maria saw this, she ran downstairs. 'Mama, Mama, Tony's got a foot and a half!'

Her Mama said, 'Stay here and stir the pasta.'
