

MEMORIAL DAY

By ~ Skypilot

Well here we have another holiday coming upon us Memorial Day. Most of us will be at family picnics, barbeques, just out having fun.

If you look at the flag above, what do you see under it. That's right tombstones in thousands of cemeteries throughout this great nation. Most of them filled with persons who have served their country and died for her freedom.

Dating back through history many of Wars and much blood shed for the cost of Memorial day from men and women you or I may have never personally knew. They served, fought and died for the love of this country.

Look at the sign on the back of my car, "A SOLDIER THAT I DIDN'T KNOW DIED TODAY SO I COULD HAVE FREEDOM".

That is what Memorial day is about that one soldier and thousands of more like him who gave their lives for you and I to have

Rolling Thunder Chapter 4's Annual Veterans Ride 2010

Last year I made a quick run up to Wausau to see the riders off for the Rolling Thunder Chapter 4's annual Veterans Ride. The weather cooperated and the crowd was on a mission to raise some money for our local heroes. With vendors on hand at The Bar (www.meetatthebar.com) where the run started, there was the chance to dig through the vendors wares for that one item you can't do without.

Although the group was on the small side, the riders all were very dedicated and I can say from past experiences with the Rolling Thunder Chapter 4 that they put their heart

and soul into making anything they do a success. This years event, the *3rd Annual Helping Our Veterans Ride on August 27th* will again do what they can to help. I hope you can all make it. See you there

FREEDOM and to be able to celebrate Memorial day and just every day we live in this Great Nation full of Free people, because of the BRAVE!

I know what I'm doing this Memorial day weekend. I'll be lying two HEROES, MY BROTHERS from the Vietnam Vets M/C to Final Rest.

Enjoy your holiday, but please remember what it means and what it was paid with. Say a prayer for our Troops currently serving and if you see a Veteran Thank Him, or Her for what they have done.

Until next month may the Great Spirit be with you all and please be safe on our highways. Thank you for reading and God Bless.
