Milwaukee Journal Sentinel Honors Hupy and Abraham, S.C.

As Top Workplace

Hupy and Abraham, S.C. was honored as one of the best places to work in Wisconsin by the Milwaukee Journal Sentinel. The top rating came from our commitment to employees and the emphasis on being an employer of choice. Although there were several law firms recognized, Hupy and Abraham, S.C. was the only personal injury firm honored. Our firm is known for the excellent representation we provide our clients. Motorcycle injury victims are served by a dedicated staff in our Wisconsin and Illinois offices. We have attorneys and investigators who ride and understand all aspects of a motorcycle crash. In Milwaukee, the founder of ABATE of Wisconsin, Tony "Pan" Sanfelipo, has been an investigator in the motorcycle division for over 20 years. He is the first person in the country to be inducted into the Sturgis Motorcycle Freedom Fighter Hall of Fame. Joining our staff in the Gurnee Illinois office is Linda "Jo" Giovannoni. Jo is a legend among women riders, a former A.B.A.T.E. of Illinois secretary and founding member of Women in the Wind. Along with Chris Sommer-Simmons, she started Harley Women Magazine and she has been inducted into the AMA Motorcycle Hall of Fame, the National Motorcycle Museum and Hall of Fame in Anamosa, Iowa and the Sturgis Motorcycle Museum and Hall of Fame.
