

### Preachers Annual Birthday Bash

Coming up in a few weeks is my birthday Bash at FRP headquarters June 28-July 1st. Last year was the kick-off to this tradition. Even though we had minimal brothers and sisters show up for the rides, food, camping, campfires and friendly chatting, we all had a good time.

Each day we jumped on the bikes and went for a ride to some place. Saturday we headed to Doc's HD [www.docshd.com](http://www.docshd.com) to see all the things that we heard makes them a very different dealership. The reptile exhibit, the outdoor pet museum, the party ship, the Time Line bike, the antique store, the auto museum and we topped it off with an ice cream. If you've never been there, I would suggest you put aside at least 3 hours to go through everything.

This year I am again having a birthday bash June 28th-July 1st at FRP headquarters W5715 County Road F in Wautoma, WI. Anyone is invited to this event, but I am asking that you let me know if you'd like to attend by shooting me an e-mail at [preacher@freeriderspress.us](mailto:preacher@freeriderspress.us) or calling me at (715) 572-6573. This will give me an idea what to expect. Again we will have camping, rides to different places including a ride Saturday night to Madison International Speedway [www.madisoninternationalspeedway.com](http://www.madisoninternationalspeedway.com) for a Veterans night that will raise money for the Badger Honor Flight [www.badgerhonorflight.org](http://www.badgerhonorflight.org). Rides to different places and possibly a day in the sun on Lake Dubay aboard a pontoon boat if everyone wants to. So come, enjoy relax and take time to meet some new people. The weekend will be what everybody makes it to be.

**RODEWAY INN & SUITES**
