A woman went to the doctor's office where she was seen by one of the younger doctors. After about four minutes in the examination room, she burst out screaming as she ran down the hall. An older doctor stopped her and asked what the problem was, and she told him her story. After listening, he had her sit down and relax in another room. The older doctor marched down the hallway back to where the young doctor was writing on his clipboard. "What the heck is the matter with you?!" the older doctor demanded. "Mrs. Terry is 71 years old, has four grown children and seven grandchildren, and you told her she was pregnant?" The younger doctor continued writing and without looking up said, "Does she still have the hiccups?"

A guy is walking down the street, sees a beautiful woman with a very short skirt, approaches her and says, "My god, you're hot!!! I've GOT to make it with you! I can't help myself, and no matter what, I've GOT to have you!"

The woman is very shocked and asks him, "What!? HERE? In the middle of the street!?"

The guy answers, "I've got to have you now! So I'll make you an offer. I'll drop \$500 on the sidewalk and, while you're picking it up, I will do everything I want. OK?"

The lady seems to be in intense thought. Then she calls her friend. She tells her friend the story, looking for some advice. The friend says, "It's no big problem. When he drops the money, you pick up the \$500 fast, and he won't even have time to get his fireman out of his pants before you finish picking it up. Just take the money and run!"

The next day, the friend sees the woman walking like an old woman. The friend asks, "What happened to you!?"

The woman answers nervously, "That son-of-a-bitch dropped \$500 in quarters!"

It was Christmas time and this woman invited all her family to her house to eat. So they gathered around the table and she asked her son to pray. He said: "But I do not know what to say." She said: "Say what I said this morning." So he said: "Dear god, why did I invite all these people to my house?"

RIDERS

A blonde goes over to visit one of her friends. While she is at her friend's house it starts to rain very heavily. Her friend tells her to spend the night at her house and go home the next day. When she hears this, the blonde rushes out the door and comes a while later totally drenched and carrying a small shopping bag. So her friend asks "Where did you run off too?"

"I went home to get my pajamas!"

Jan, Sue and Mary haven't seen each other since High School. They rediscover each other via a reunion website and arrange to meet for lunch in a wine bar.

Jan arrives first, wearing a beige Versace. She orders a bottle of Pinot Grigio. Sue arrives shortly afterward, in gray Chanel. After the required ritualized kisses she joins Jan in a glass of wine. Then Mary walks in, wearing a faded old tee-shirt, blue jeans and boots. She too shares the wine.

Jan explains that after leaving high school and graduating from Princeton in Classics, she met and married Timothy, with whom she has a beautiful daughter. Timothy is a partner in one of New York 's leading law firms. They live in a 4000 sq. ft. co-op on Fifth Avenue, where Susanna, the daughter, attends drama school. They have a second home in Phoenix.

Sue relates that she graduated from Harvard Med School and became a surgeon. Her husband, Clive, is a leading Wall Street investment banker. They live in Southampton on Long Island and have a second home in Naples, Florida.

Mary explains that she left school at 17 and ran off with her boyfriend Jim. They run a tropical bird park in Colorado and grow their own vegetables. Jim can stand five parrots, side by side, on his penis.

Halfway down the third bottle of wine and several hours later, Jan blurts out that her husband is really a cashier at Wal-Mart. They live in a small apartment in Brooklyn and have a travel trailer parked at a nearby storage facility.

Sue, chastened and encouraged by her old friend's honesty, explains that she and Clive are both nurses' aides in a retirement home. They live in Jersey City and take vacation camping trips to Alabama.

Mary admits that the fifth parrot has to stand on one leg.

HUMOR

A dinner speaker was in such a hurry to get to his engagement that when he arrived and sat down at the head table, he suddenly realized that he had forgotten his false teeth.

Turning to the man next to him he said, "I forgot my teeth." The man said, "No problem." With that he reached into his pocket and pulled out a pair of false teeth. "Try these," he said.

The speaker tried them. "Too loose," he said. The man then said, "I have another pair...try these." The speaker tried them and responded, "Too tight."

The man was not taken back at all. He then said, "I have one more pair of false teeth...try them."

The speaker said, "They fit perfectly." With that he ate his meal and gave his address.

After the dinner meeting was over, the speaker went over to thank the man who had helped him. "I want to thank you for coming to my aid. Where is your office? I've been looking for a good dentist."

The man replied, "I'm not a dentist. I'm the undertaker."

"Oh, oh, aaaahhh," he exclaims, "My God you are so beautiful, let me take your picture. Puzzled she asks, "My picture?" He answers, "Yes my dear, so I can carry your beauty next to my heart forever".

She smiles and he takes her picture, and then he heads into the bathroom to shower. He comes out wearing his robe and the new wife asks, "Why do you wear a robe? We are married now." At that the man opens his robe and she exclaims, "oh, OH, OH MY, let me get a picture". He beams and asks why and she answers, "So I can get it enlarged!"
