

We all go to a ton of events every summer supporting people in need or a cause that helps society in general. But how many times do you actually see the end result of your good doings? The Cora Jones Scholarship Benefit fund-raiser is an event that we know every year helps young people in the Weyauwega/Freemont, Waupaca, Iola/Scandanavia, Manawa and New London area. Through the scholarships young average students giving them a helping hand to further their education for books tuition etc. And just to clarify the word average, these students were not likely to be given any big educational help to further their education.

For the last 15 plus years we have raised over \$50,000 toward this deed and we have no intention of stopping anytime soon. Last year alone we raised over \$9500 and were able to give out 9

scholarships at the 2014 awards dinner in Weyauwega, WI. This year at the time of writing this story I was made aware of the fact that the very first recipient of the scholarship is currently the principal at the Weyauwega-Freemont High school. We helped with that starting 15 years ago! Do you want to be a part of many more success stories in the future?

The scholarship fund was started shortly after 12 year old Cora met with an untimely death at the hands of a serial killer. The benefit was started by an MC that was close to the Jones family and is carried on independently to this day.

If you would like to donate to this fun filled afternoon of fun, music, great food and hundreds of prizes that you can bid on or try your luck at the ticket draw. Held on the water way at Gill's Landing in Weyauwega Saturday the 19th starting at noon,

we would love to see you there. This is a community event for anyone to attend.

This year we do have an added way to attend. There will be a gathering (or should I say weekend party) at Preacher's house W5715 County Road F in Springlake, WI starting Friday the 18th. Saturday we will ride up as a group for the afternoon and then return to the house for a campfire and friendship. We do have spots for camping but do ask that you bring what you want to drink.

Any questions feel free to contact Vicki or Rick Jones at (715) 281-7562
