

Cover picture was taken in Youngtown, Ohio at the Quaker Steak & Lube. Lorie and I happened to be staying at the Hotel just up the hill from where we kept hearing bikes roll in. Even though the crowd was down from what I was told from locals due to the possible rain threat, the Lube did in great fashion have a party with wings, drinks, bike games and live music. I strongly suggest you attend the local bike night in your area if you never have in the past. It's a great time...
