A pompous Baptist minister was seated next to a biker on a flight to Texas. After the plane was airborne, drink orders were taken.

The biker asked for a whiskey and soda, which was brought and placed before him.

The flight attendant then asked the minister if he would like a drink. He replied in disgust, "I'd rather be savagely raped by brazen whores than let liquor touch my lips." The biker then handed his drink back to the attendant and said, "Me too. I didn't know we had a choice."

A blonde with two red ears went to her doctor. The doctor asked her what had happened to her ears.

She answered, "I was ironing a shirt and the phone rang, but instead of picking up the phone, I accidentally picked up the iron and stuck it to my ear."

"Oh dear!" the doctor exclaimed in disbelief. "But what happened to the other ear?"

"The son of a bitch called back!"

Young man vs God

A young man once asked God how long a million years was to him. God replied, "A million years to me is just like a single second to you."

The young man asked God what a million dollars was to him. God replied, "A million dollars to me is just like a single penny to you."

Then the young man got his courage up and asked, "God, could I have one of your pennies?"

God smiled and replied, "Certainly, just a second."

RIDERS

A mild-mannered man was tired of being bossed around by his wife; so he went to a psychiatrist. The psychiatrist said he needed to build his self-esteem, and so gave him a book on assertiveness, which he read on the way home.

He had finished the book by the time he reached his house. The man stormed into the house and walked up to his wife. Pointing a finger in her face, he said, "From now on, I want you to know that 'I' am the man of this house, and my word is law! I want you to prepare me a gourmet meal tonight, and when I'm finished eating my meal, I expect a sumptuous dessert afterward. Then, after dinner, you're going to draw me my bath so I can relax. And, when I'm finished with my bath, guess who's going to dress me and comb my hair?"

"The f*cking funeral director," said his wife.

A burglar broke into a house one night. Shining his flashlight around looking for valuables, he picked up a CD player to place in his sack when a strange, disembodied voice echoed from the dark saying, "Jesus is watching you."

He nearly jumped out of his skin, clicked his flashlight out, and froze. When he heard nothing more after a bit, he shook his head, promised himself a vacation after the next big score, then clicked the light on and began searching for more valuables.

Just as he pulled the stereo out so he could disconnect the wires, clear as a bell he heard, "Jesus is watching you."

Freaked out, he shone his light around frantically, looking for the source of the voice. Finally, in the corner of the room, his flashlight beam came to rest on a parrot. "Did you say that?" He hissed at the parrot.

Yep," the parrot confessed, then squawked, "I'm just trying to warn you."

The burglar relaxed. "Warn me, huh? Who in the world are you?"

Moses," replied the bird. Moses?" the burglar laughed. "What kind of people would name a bird Moses."

"Same kinda people that would name a rottweiler Jesus."

HUMOR

A guy calls up his ex-wife and, disguising his voice, asks to speak to himself.

"Sorry, he doesn't live here anymore, we're divorced!" Next day, the guy does the same thing with the same results.

He does this everyday for a week, and finally his ex-wife realizes who it is that keeps calling.

"Look, Bozo! We're divorced! Finito! End of story! When are you going to get that through your fat head?"

"Oh, I know! I just can't hear it enough!"

This gal walks into the drugstore and tells the pharmacist she wants to buy some arsenic.

He says, "What do you want with arsenic?"

She said "I want to kill my husband because he cheats on me by having sex with another woman."

The pharmacist says, "I can't sell you arsenic so you can kill your husband lady, even if he is having sex with another woman."

So she reaches into her pocket and pulls out a picture of her husband having sex with the pharmacist's wife.

The pharmacist says "Oh, I didn't realise you had a prescription."

Why is a Laundromat a really bad place to pick up a woman?

Because a woman who can't even afford a washing machine will probably never be able to support you.
