AMERICAN THUNDER PROMOTIONS
FOR INFORMATION CALL: 952-226-1180 SEE YOU AT THE SHOW!

I attended my first Donnie Smith Invitational Bike Show and Swap last year for the first time, let me tell ya that this show will leave one hell of an impression in your skull. The array of custom builders that are in attendance from all over including Donnie Smith and Dave Perewitz (who will be there again this year), tells ya of the talent that is there. With over 160 bikes vieing for trophy's in over 35 classes, 100,000 sq. feet of show and vendor space with another 40,000 sq. feet of parts and accessories for that last minute change your thinking of doing. This year promises to be bigger and better than ever with the addition of some big name vendors, more classes for the show competition and an additional day to take in all there is to see. (Trust me it takes a day just to check out the rides) The show is presented by American Thunder Promotions of Prior Lake, MN, who do one hell of a job organizing this event. For more info on vendor space and bike entry to the Donnie Smith Show give them a call at 952-226-1180.
