A young ventriloquist is touring the clubs and one night he's doing a show in a small club in a small town in Arkansas. With his dummy on his knee, he's going through his usual dumb blonde jokes when a blonde woman in the fourth row stands on her chair and starts shouting: "I've heard enough of your stupid blonde jokes. What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person, because you and your kind continue to perpetuate discrimination against, not only blondes, but women in general...and all in the name of humor!" The ventriloquist is embarrassed and begins to apologize, when the blonde yells, "You stay out of this, mister! I'm talking to that little jerk on your knee!"

This guy has four daughters who all live at home. One Friday night the doorbell rings. The guy answers it and a kid standing there says 'Hi, I'm Freddy. I'm here to pick up Betty. We're gonna go eat spaghetti. Is she ready?' The man, mildly amused calls down his daughter and the two leave. A few minutes later the doorbell rings again and he answers. A kid standing there says 'Hi, I'm Jim. I'm here to see Kim. We're gonna go for a swim. Can I come in?' The guy, now perplexed, says yes and the two take off. A few minutes later the doorbell rings and again the father answers. A kid standing there says 'Hi, I'm Joe. I'm here to pick up Flo. We're gonna go to the show. Can she go?' The man, now kind of annoyed says yes and the two depart. Sure enough, a few minutes later the door rings and the father answers. A kid standing there says 'Hi, I'm Chuck..' The father shot him.

There was a lawyer and he was just waking up from anesthesia after surgery, and his wife was sitting by his side. His eyes fluttered open and he said, "You're beautiful!" and then he fell asleep again. His wife had never heard him say that so she stayed by his side. A couple minutes later his eyes fluttered open and he said "You're cute!" Well, the wife was disappointed because instead of "beautiful" it was "cute." She said "What happened to 'beautiful'?" His reply was "The drugs are wearing off!"

This morning -- from a cave somewhere in Pakistan -- Taliban Minister of Migration, Mohammed Omar, warned the United States that if military action against Iraq continues, Taliban authorities will halt America's supply of Convenience store managers. If this action doesn't yield sufficient results, cab drivers will be next. It's really getting ugly

Jennifer visited a psychic of some local repute. In a dark and hazy room, peering into a crystal ball, the mystic delivered grave news, "There's no easy way to say this, so I'll just be blunt - prepare yourself to be a widow. Your husband will die a violent and horrible death this year." Visibly shaken, Jennifer stared at the woman's lined face, then at the single flickering candle, then down at her hands. She took a few deep breaths to compose herself. She simply had to know. She met the fortune teller's gaze, steadied her voice, and asked, "Will I be acquitted?"

A lawyer is standing in a long line at the box office. Suddenly, he feels a pair of hands kneading his shoulders, back, and neck. The lawyer turns around. "What the hell do you think you're doing?" "I'm a chiropractor, and I'm just keeping in practice while I'm waiting in line." "Well, I'm a lawyer, but you don't see me screwing the guy in front of me, do you?"

A man scanned the guests at a party and spotted an attractive woman standing alone. He approached her and asked her name. "My name is Carmen," she told him. "That's a beautiful name," he said. "Did your mother give it to you?" "No," she replied. "I gave it to myself. It reflects the things I like most in my life - cars and men." They continued to talk and finally she asked "What's your name?" "Beerf**k," he replied.

Four guys are drinking in a bar, bragging about their sons.

"My son," the first one says, "started out washing cars at dealership, but now owns the dealership and just gave one of his friends four new cars of his choice!" "My son," said the second, "started out serving lunch in a real estate office, but now owns the real estate office and just gave one of his friends a new mansion!" "My son," said the third, "started out sweeping the floors at the Stock Exchange, but now practically owns the Stock Exchange and just gave one of his friends a \$1,000,000 in stock." "Well," the fourth guy said, "my son's turned out to be a bit of a disappointment. He's a gay hairdresser and he has SEVERAL boyfriends. On the plus side, between them, they gave him four cars, a mansion, and a million dollars in stock for his birthday."

Bill Gates is hanging out with the chairman of General Motors.

"If automotive technology had kept pace with computer technology over the past few decades," boasts Gates, "you would now be driving a V-32 instead of a V-8, and it would have a top speed of 10,000 miles per hour. Or, you could have an economy car that weighs 30 pounds and gets a thousand miles to a gallon of gas. In either case, the sticker price of a new car would be less than \$50."

"Sure," says the GM chairman. "But would you really want to drive a car that crashes four times a day?"
