Minnesota Nut Run:

A few weeks ago we were talking and decided that the winter is just too long so we wanted to go on bike run. We talked to a few of our friends to see how many we could get to go. It ended up being 7 people on 5 bikes for the First Annual Nut Run. We started in St. Martin at noon on Saturday January 15th. The temperature outside was 32 degrees. We went to Albany, Richmond, Roscoe, Lake Henry, Spring Hill and back to St. Martin. As you can see, we ran into some snowmobilers in Lake Henry and they would have much rather been riding Harley than Polaris. By the time we made it back to St. Martin news of the Nut Run was all over town and everyone was asking about it. We expect the 2nd Annual Nut Run to draw many more riders.

When we got back, Chris Bushman did the First Annual January Chap Run. Next year, who knows who will do the chap run.
