Kromefest held at Kelley's Bleachers II Sept 5th, 2005 was one of them events that I was not to sure about. Busy or not were my thoughts. Well you take a very sunny day, ad in some really good word of mouth about the upcoming event and wallah, instant hit.

The bike show brought in 41 bikes for a wide variety of rides. With vendors, dyno drags, 2 bands, Open Road Radio, Discovery Channel Bike Builder Chica his bikes and much more family fun to be had ! Included in the fun was a wet t-shirt contest (the mellow kind) and a cardboard engine building contest (which was a new one to me) that included some of the areas bike builders and Chica all competing for the honor of fastest builder in the world.

All in all for a 1st Annual, this was a big hit and is sure to grow quickly. Check out Kelly's April 30th for the 1st Annual Kelly's Kustom and Klassic Bike Show, rain or shine indoor/outdoor. Check their website www.kellysbleachers.net.
