## DODGE COUNTY CYCLE & SPORT, LLC

Where you get more than you pay for!

My name is Rick Krajewski, I am the proud owner of Dodge County Cycle & Sport.

I had my first Harley at 15 and rode it to high school. I started working at an independent motorcycle shop on my birthday when I was 16 and stayed there until my birthday 23 years later. Even went through two different owners.

While visiting a friend, I stopped at a bar/restaurant in Rubicon to have a burger. I remember, they wouldn't let my dog in, he was outside looking in. Who knew almost one year later, I would be looking to buy that exact building, gutting it and starting a full fledged motorcycle shop. My dog is inside now, looking out!

I started my shop almost 5 years ago. Moved out to Rubicon from Milwaukee, it is a great ride from anywhere! We sit on 5 acres in the country with a 1/2 acre pond stocked and spring fed. I offer parts, accessories, service and great customer service at decent prices. I work on all makes and models, vintage and new. I can correct and make custom cables, provide aluminum welding, machine shop and many other services. Just so you know, we straighten frames, rims and forks and have huge selection of used parts.

I like finding the older bikes out there. Harley's, Triumph's Honda's you name it, the older the better for me. I added on a new building to my existing shop 2 years ago to hold everything. My customers tell me they like to look at all my collectible stuff as I am into collecting anything old, not just motorcycles. Customers even come back just to see what's new or old.

I am very grateful to my customers. I do what I can for them, by providing tech support and sharing my experience, which gives them more than they expected. This was my dream and now it has come true. If your out for a nice country ride stop out and see us on Route 67!

N4220 Hwy 67 Rubicon, WI 53078

(1 mile north of Hwy 60)
