I didn't get a chance to spend a whole lot of time at the show last year, but from what I seen everyone was enjoying themselves. This year I am looking forward to the new venue at the Renaissance Schaumburg Hotel & Convention Center in Schaumburg, IL With the show being 2 days, it should prove to be a tad bit more mellow paced for those of us that don't run a downtown Chicago high speed 24/7. Stop in at the Free Riders Press booth, chat a while and let us know what you think of the show or anything else you got on your mind.
