Weigel, Carlson, Blau & Clemens, S.C. Injury Attorneys of Milwaukee has been a biker for over 40 years.

It is "pothole" time again.

Some of those potholes can swallow your front wheel and send you over the handlebars and windshield to land on your head. Look ahead. Avoid potholes. Be very careful at night and under poor lighting conditions and in heavy traffic.

Get the word out! The law office and the ISA suggest that you contact your local ABATE region with the location of any road in poor condition.
