

Welcome to Go-Go Caddy

"Can my clubs fit in your car? I want to ride my bike to the course." Have you ever said this to one of your golfing buddies before? Do they feel inconvenienced when you ask them? When you purchase your Go-Go Caddy golf club carrier for Harley-Davidsons motorcycles, you won't have to worry about saying those words ever again. Simply mount your Go-Go Caddy to your bike, place and secure your golf clubs to the carrier and drive to the course. You'll enjoy not having to inconvenience your friends anymore... and so will they! The Go-Go Caddy golf club carrier for Harley-Davidsons motorcycles mounts over the middle of the bike utilizing the suspension so you do not have to worry about moving any tail-lights or license plate brackets. You also do not have to worry about attaching anything to the axel, which other designs require. Go-Go Caddy, the easy-on, attractive and rugged golf club carrier, makes use of the same mounts used for a detachable backrest which already exist on the bike.
