

Thunder in the Park at South Park in Oshkosh, WI is one of the years main family events in Wisconsin. After 9 years of raising a bunch of money for different charities including Children's Hospital of Wisconsin, the event last year took a well deserved year off. It is a lot of work putting on an event of this magnitude and I didn't blame them. But all the volunteers are again ready to go.

This 2 day event has music, car show, bike show, vendors, military tribute, motorcycle ride, food, playground for the kids and a whole lot more.

This year the Thunder will be held June 4th & 5th rain or shine. graybeardproductions.org is where you can get all the info you need to schedule a great time. Let's get out there and support those in need that I know we all do anyway.
