

From Donnie Smith 2009 Show

It's Donnie Smith time again. This time for the 23rd time. www.donniesmithbikeshow.com I will be there and hope to see all of you. This will be my 6th out of 8 years attending and I can say that the atmosphere is really mellow compared to other shows I have attended. A great family event with something to see for all ages.

Do you need swap meet items, parts or do you just want to look at the bikes in the show? From mild to wild, old and new it's all there. Or maybe you're looking to check out some new accessories? Guaranteed you will find what you need. The Donnie Smith at the Rivercentre in Saint Paul, MN and is the place to be March 27 & 28th.

If you have a bike you would like to show off or would like to be a vendor to show 1000's of people what you got, give promoter American Thunder a call at 952-746-7786. They will hook you up. Till show time, Take Care.
