

7th Annual Ride for Wishes

We all know that Memorial Day Weekend is notorious for rain. Well, the 8th Annual Ride for Wishes was no exception. With heavy rain and no end to it insight, the more than 100 bikes left Boner Again for the annual poker run.

I was running late due to some other events I was attending that day, so I pulled over when I saw this long steady stream of light coming down the road. Getting the camera out, I shot some pictures then proceeded to hook up with the group at Club Forest in Plover.

The clouds finally broke some before leaving Club Forest and from what I hear the rest of the day/night went great. Raising money for kids, while enjoying a ride with friends. What more could make you feel better!
