3rd Annual Thunder Valley Biker Rally

Sponsored by the Forest County Potawatomi Community

Hosted by the Crandon Int'l Off-Road Raceway

Crandon, Wisconsin, USA

June 10 - 12, 2005

The Crandon Int'l Off-Road Raceway again opens its private, 400+ acre facility to welcome riders to the 3rd Annual Thunder Valley Biker Rally.

Live Concerts by Creedence Clearwater Revisited, Grand Funk Railroad, Vic Ferrari, Boogie & The Yo-Yo's and Captain Ron are LIVE ON STAGE for the great rally weekend. Also on tap will be exhibits by Thunder Valley Cycles Big Dog, Erv's Victory, Milwaukee Boss Hoss, and Doc's H-D. We offer camping, hot showers, great food and great drink! Visit www.crandonoffroad.com/rally for a full schedule of rally events.

The Crandon Raceway, a non-profit, family-based & volunteer organization has been conducting professional off-road races in Wisconsin's Forest County for 36 years. In support of the Raceway's events, an army of over 700 volunteers donate their time to park cars, manage the campgrounds, manage racers pits, time the races, operate track safety, grounds maintenance, food preparation and emergency fire & rescue services. In exchange for such manpower, the Raceway donates over \$50,000 back to the community's organizations annually! Supporting the sport of Off-Road Racing, supporting the Biker Rally and supporting the economic growth of Northeast Wisconsin keeps the Crandon International Off-Road Raceway GOING!
